moon is bea_ming bright above Thou hast no cause of fear, I'll
sing of lo_____vers brave and true If thou wilt list to me, I'll
sing the charms of La_dies fair, But none so fair as thee!

I'll sing of battles, love, and fame
Of love in distant climes;
I'll sing of eyes so blue, and bright,
But none so bright as thine!
Then listen to my song my love,
For thou art dear to me,
And while there beams a light above,
I'll sing of love and thee!
